FOR IMMEDIATE RELEASE

Pittsfield, MA, April 13, 2005 – Media Production Services announced today that it will be packaging the Big Ten Outdoor Track & Field Championships for College Sports Television. The event will take place May 13-15, 2005 at the host school, The Ohio State University.

“We’re excited about this show,” said Andrew Schneider, President of Media Production Services. “The meet has more than 50 events and takes place over three days. We’ve put together a great production team and we are looking forward to covering the races as well as showing some of the personalities of the athletes through stylized personality profiles,” Schneider said.

Of the eleven Big Ten Championships that CSTV is airing this collegiate season, it will be the fourth packaged by MPS. This past fall MPS packaged the Big Ten men’s and women’s soccer championships from Ohio State University and the University of Michigan, respectively, and packaged the men’s wrestling championships at the University of Iowa this spring.

Media Production Services, LLC is a full service production company specializing in production and event management, and consulting. MPS’ client list includes CSTV, ESPN, NBC Sports, USA Broadcasting, Discovery Networks, NBA Entertainment, New Line Television, TWI, and the USTA. MPS is located in Pittsfield, Massachusetts.
