FOR IMMEDIATE RELEASE

Pittsfield, MA, August 12, 2004 – Media Production Services announced today that they have been chosen to provide full program packaging services for College Sports Television’s fall soccer package. MPS will be working with WAVE Entertainment to provide CSTV with a turnkey solution for the upcoming season, entitled “CSTV Soccer Night.”

“It’s very exciting to be working with CSTV, as they expand the marketplace for college sports,” said Andrew Schneider, MPS’s President. “Some of the more challenging locations that we will be broadcasting from will certainly provide MPS the opportunity to show CSTV its wide range of services,” Schneider said.

CSTV plans to include defending men’s NCAA champion Indiana and 2004 women’s national runner-up Connecticut in their coverage. Rivalries on tap include Notre Dame-Indiana, Columbia-Brown, and Portland-Santa Clara, along with the Big Ten men’s and women’s championships and Big East championship action.

Media Production Services, LLC is a full service production company specializing in production and event management, and consulting. MPS’ client list includes CSTV, ESPN, NBC Sports, USA Broadcasting, Discovery Networks, NBA Entertainment, New Line Television, TWI, and the USTA. MPS is located in Pittsfield, Massachusetts.
